

TIMELIKETOON'S SIDWAYS

SIDEWAYS INTRODUCTION

Parallel universe travel has also been referred to as traveling sideways through time. Thus comes the title of this web comic series.

My extreme fascination with the concept of parallel universes is what prompted me to do the web comic "Sideways." I have this fascination because parallel universes represent something I've wanted for a long time: unlimited freedom of choice and unlimited freedom of expression. Since living in a single universe at all times does not offer me that level of freedom, doing a web comic about parallel universes is obviously the next best thing. Besides, all works of fiction are jaunts into alternate realities anyway.

In any event, that's my intro to "Sideways" Hope you enjoy this (atypical) web comic.

"SIDEWAYS"

Written by Men Without Hats

Step inside the reason why
we look together then we find

Come inside the world's a
ball we rise above it as we fall

Everybody's open air so love
me love me love where?

A million things and one to
fly (say) life's a witch and
then you smile

Took a trip inside your heart
has seen much better days
Before we hit the high one
here's to you sideways

The moon is warm the river's
high and love forever never
dies

Check inside yourself and
see life is what you want to
be

Took a trip inside your heart
has seen much better days
Before we hit the right one
here's to you Sideways
Here's looking at you
sideways
Sideways
Dreaming of you sideways

Had a dream where
everybody looked like
someone else
The farthest I could get from
was the closest to myself
Tonite I'll dream tomorrow's
going to be that better day
And in the morning I'll
remember you, sideways

Sideways
Sideways
Here's looking at you
sideways
Sideways
I'm dreaming of you
sideways
Gonna give it to you
sideways

FOR YOUR FIVE YEARS OF PROVIDING JOBS FOR THE COMMUNITY, IT IS MY PLEASURE TO PRESENT YOU WITH THE COMMUNITY APPRECIATION AWARD.

THANK YOU VERY MUCH, I JUST HOPE I CAN CONTINUE HELPING OUT THE COMMUNITY AS WELL AS I HAVE DURING THE PAST FIVE YEARS.

END.

UNIVERSE "2"

WOW, LYNNE, HOW DID YOU GET SO RICH?

WELL, A FRIEND OF MINE WON \$100,000,000 FIVE YEARS AGO, AND SHE WAS KILLED SOON AFTERWARD. SHE HAD PUT ME IN HER WILL AND BEQUEATHED A FOURTH OF HER WEALTH TO ME. SINCE THEN, I'VE BEEN USING MY WEALTH THE WAY SHE SHOULD HAVE, TO PROVIDE JOBS FOR THE COMMUNITY.

END.

UNIVERSE "3"

WOW, YOUR BUSINESS ESTABLISHMENT REALLY IS OPEN FOR BUSINESS.

YES IT IS, LYNNE. PROOF THAT WEALTH CAN BEST BE ATTAINED THROUGH YEARS OF HARD WORK.

LEE'S BUSINESS ESTABLISHMENT

END.

UNIVERSE "4"

MAYBE I SHOULDN'T HAVE SPENT ALL MY MONEY ON THOSE LOTTO TICKETS AFTER ALL.

END.
